Dear Sir

I would like to take this opportunity to thank you for your generosity in helping me to attend Pretoria Boys High School. I am so appreciative that you are helping me to be a part of the Boys High brotherhood.

I have learnt so much since I started my schooling at Boys High. It has taught me to be humble, sincere, caring and so much more. I have made great friends and I love the Boys High traditions. The sport is great and sometimes I get home a little late but it is worth it.

My goals for this year are to obtain a 70% average and I am hoping to get into university because education is the key to a bright future, no matter what. In my free time I really enjoy playing football and I have achieved my provincial colours.

I will strive to do my best for the rest of the year and wish you everything of the best for the remainder of 2015.
